

Covenant of Right Relations

We, the congregation of First Unitarian Church of Omaha, covenant together:

To create a religious community where we can freely explore our values and foster diversity as a source of communal strength.

To build healthy relationships, seeking to understand each other and respect our differences.

To listen deeply and endeavor to communicate directly, honestly, and compassionately, particularly when we are in conflict.

To do our best to make amends when we have hurt each other, even unintentionally, to learn from our mistakes, to forgive, and to reconnect in a spirit of understanding and commitment.
