

Congregation

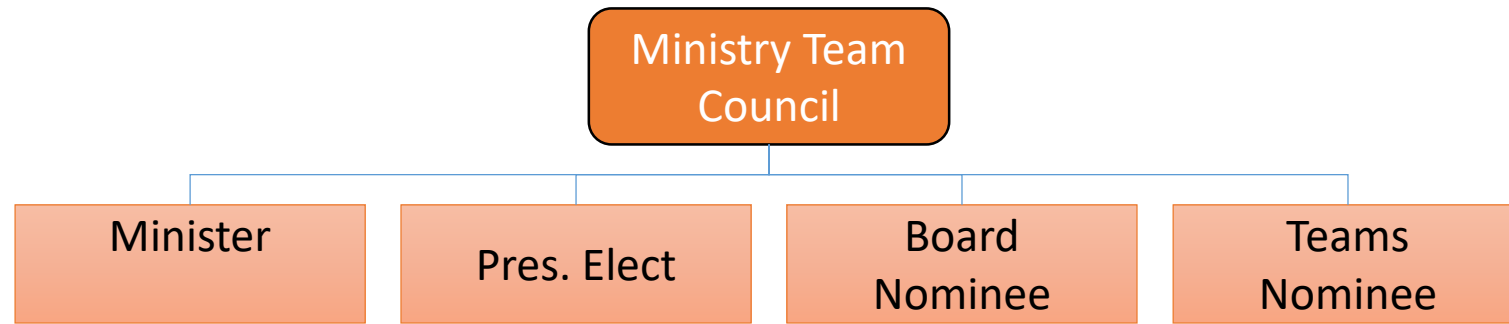

Congregation: At the annual meeting each May, eligible voting members of the Congregation elect the President-Elect and fill vacant seats on the Board of Trustees, Right Relations Committee, Nominating Committee and Capital Trust.

The Board of Trustees retains direct responsibility for long-range strategic planning, discerning and monitoring overall organizational performance and adopting policies governing church operations. The Board regularly meets on the second Tuesday of every month.

The President-Elect also leads the Ministry Team Council and ascends to serve as President at the end of their one-year term.

The Board of Trustees has delegated significant authority and accountability to the Ministry Team Council (MTC) for the day to day operations. The MTC is responsible for executing on the Board's Vision and Mission, including allocating financial resources and organizing teams of volunteers to effectively carry out the work of the church.

Teams are engaged in the practical work of the church, and may be permanent or temporary, organized for a function (e.g. finance, membership), a common interest (e.g. reading, parenting), for religious exploration or social justice.
