

BUDGET PROPOSAL

Please fill out this form if your new activity/event is requesting funds from the church to support your effort. If your event falls under the mission of an existing team, check with the team leader or our church admin about the budget for your team. You may not need to fill out this form.

First Unitarian Church of Omaha

What is your total estimated cost for your event or activity?

What is your advertising plan and cost (if any)?

What might be the sources of funding in addition to what the church might provide?

(Sources could be sponsor-donated funds from folks in or outside the church or groups inside our church. Please name the people or groups that might be sponsors and how they might contribute. Funding could also include donations at the door or ticket prices for the event. Establish a minimum amount if it is a donation and include that and ticket prices in advertising. Please give an estimate of the number of attendees. Sometimes a suggested donation attracts more people than a ticket price.)
